 - fishery was on island opposite the mainland
- Angus Kapashe died

Conversation with Adam Auger, Sept 30/85

• Lizard Is

- pool hall burnt in 1940s
- where Robinson hut is there is one foundation
- NW of the pool hall is another location
 - another dump behind it
- another dump at southern end of N. Lizard Is. camp
- none of the original docks are left
- there is a fishing boat wreck
 - can see steam boiler

• Agawa Bay

- two different boats there
